

PROGRAM OVERVIEW + IMPORTANT DATES

- Step 1:** Attend the seminar on **Thursday, July 27th, 2017!**
- Step 2:** Go home and assess your landscape. Are you qualified and ready to participate?
- Step 3:** Email gardeninfo@conservationcenter.org: Intake Form, landscape design, “before” photos, and water bill. **Due on or before Thursday, August 10th, 2017.**
- Step 4:** CRC will review your application. It may take up to **10 business days** to review.
- Step 5:** Once you have received approval from CRC, *begin work!*
- Step 6:** Email gardeninfo@conservationcenter.org: “during” photos by or before **Friday, September 15th, 2017**. CRC will review photos, and then email Participant with project status. If approved, then Participant will be added to the FREE H2Overhaul Toolkit list.
 - **To pick up garden:** For approved projects, Participants will pick up their FREE H2Overhaul Toolkit at the end of September 2017. Details will be provided if/when Participant reaches this step.
 - Photos submitted after **Friday, September 15th, 2017 will not be eligible** for FREE H2Overhaul Toolkit.
- Step 7:** Pickup FREE H2Overhaul Toolkit.
- Step 8: FINAL STEP!** Once H2Overhaul Toolkit is fully installed, then Participant must email “final” photos. **Due on or before Friday, October 30th, 2017.**

Note!

- **All Projects are subject to inspection.** *A site inspection may be required to ensure all program requirements have been properly fulfilled.* If necessary, a representative from Thornton Water or the Center for ReSource Conservation (CRC) will be in touch to schedule an appointment following Step #8.
- **Refer to Intake Form:** for additional program details and requirements.
- **Please contact:** Center for ReSource Conservation with questions at **303-999-3820 x 222** or gardeninfo@conservationcenter.org.

Thank you for your interest in water conservation!
