---

**LANDSCAPE SERVICES:** Average Cost for 200 sq. ft. Area

- **Turf Removal and Disposal** – Pricing is typically by the square foot or by the hour. It includes mobilization, plus the removal and disposal of turf. The price does not reflect any additional work such as soil amendments or edging.  
**Cost:** \$500 - \$1,000
- **Irrigation Conversion** – The price of converting a traditional sprinkler system to drip is typically dependent on the number of zones being converted.  
**Cost:** \$480 - \$950
- **Landscape Consultation** – Price includes an onsite consultation and plant specific design.  
**Cost:** \$300 - \$750

***\*Prices may vary. Landscape companies typically require a landscape assessment prior to quoting a price.***

***\*To find a landscape professional in your area, visit [www.alcc.com/find-a-landscape-pro](http://www.alcc.com/find-a-landscape-pro).***
