
PROGRAM OVERVIEW + IMPORTANT DATES

PURPOSE

H2Overhaul is a water-wise initiative that provides programs and resources to transform thirsty lawns into beautiful water-saving landscapes. The goal: to help you generate long-term water savings and spend less on your summer water bill.

The H2Overhaul Workshop is designed to provide you with the know-how to convert your yard into a water-wise oasis but it doesn't stop there! Complete the following steps and you will receive a FREE Landscape Conversion Package including 200 sq. ft. of perennial garden plants and a spray-to-drip irrigation converter:

- Step 1:** Attend the seminar on **Wednesday, March 7th, 2018!**
- Step 2:** Go home and assess your landscape. Are you qualified and ready to participate?
- Step 3:** Email TurfRemoval@ResourceCentral.org: Intake Form, landscape design, “before” photos, and water bill. **Due by or before Friday, March 23rd, 2018.**
 - If you live in an HOA community, submit your landscape design to your HOA for review in accordance with their requirements. HOA approval of your landscape plan is required BEFORE you start your project.
- Step 4:** Resource Central will review your application and inform you of your status no later than **Monday, April 2nd, 2018.**
- Step 5:** Once you have received approval from Resource Central, *it's time to begin work!*
- Step 6:** Email TurfRemoval@ResourceCentral.org: “during” photos. **Due by or before Monday, May 7th, 2018.**
 - Resource Central will review photos, and then email Participant with project status. If approved, then Participant will be added to the FREE Garden In A Box list.
 - Photos submitted after 5/7/18 **will not be eligible** for FREE Garden In A Box kit.
- Step 7:** Pickup FREE H2Overhaul Toolkit in either May or June.
- Step 8:** Once H2Overhaul Toolkit is fully planted and mulched, then Participant must email “after” photos. **Due by or before Friday, June 25th, 2018.**
- Step 9: FINAL STEP!** Once “after” photos are submitted, then Participant must schedule and complete a Slow the Flow irrigation audit.
 - Participant must schedule appointment **by or before Friday, August 17th, 2018.**
 - Participant must complete appointment **by or before Friday, September 7th, 2018.**
 - *If you do NOT have an in-ground automatic sprinkler system, then do not schedule an appointment.*

Please **refer to Application Form** for additional program details and requirements. If you have further questions, then contact Resource Central at **303-999-3820 x 222** or TurfRemoval@ResourceCentral.org.

Thank you for your interest in water conservation!
