**SLOW THE FLOW INDOOR WATER USE CONSULTATION
LIABILITY WAIVER**

By signing this waiver, you acknowledge that Resource Central will test the efficiency of your indoor water fixtures at your request. Resource Central is not responsible for any system malfunction during or after the indoor water inspection. It is the responsibility of the property representative to check the condition of plumbing fixtures to make sure they are operating correctly. The property representative will be responsible for monitoring the health of the plumbing fixtures.

I (We) hereby agree to indemnify and hold harmless Resource Central and my water provider, its officers, agents, and employees against all liabilities, judgments, costs, and expenses arising out of, or in consequence of, faucet aerator and showerhead replacement provided as part of Resource Central and my water provider's Indoor Water Assessment Program.

WATER RECORDS RELEASE

The impacts of the Slow the Flow Indoor program are being monitored for the next 2-5 years. This requires a comparison of customer water usage histories gathered from his/her water provider. The information is used to show trends and impacts that result from the program and do not single-out any individual customer's water usage history to third parties. Any information obtained relating to the individual customer will be kept anonymous and confidential by Resource Central.

I am or was the utility user at (Please write-out address):

_____. I understand that Section 24-72-204(3) (a) (IX) of the Colorado Revised Statutes prohibits the release of my name, address, telephone number and personal financial information as a past or present user of a public utility. I hereby consent and give permission to my water provider, (please list in space provided) _____ to release my water usage and billing information to Resource Central. I further release my water provider as listed above from any claim, demand, action or right of action which results from actions by them or Resource Central relating to this program.
