

June 15, 2020

Dear Supporters,

I am proud to share Resource Central's 990 for the year 2019 to continue our commitment to fiscal transparency and good governance. At Resource Central, we value the trust that you place in us and we strategically leverage your support to achieve the highest results to advance our conservation mission.

The COVID-19 pandemic has put many organizations, both nonprofit and for-profit alike, in tenuous financial positions. Resource Central's market-driven social enterprise model combined with smart program design and diverse funding sources from generous donors will help to ensure we are here long after the pandemic is over.

For 44 years, Resource Central has engaged community members in conservation actions that add up to measurable impact for our planet. In 2019 we saw a 27% increase in community members participating in our programs that saved water, conserved energy, and reused building materials. That's 88,900 families who are now making a difference to help protect the planet. Some may consider themselves conservationists. Others may not. Regardless, we believe that everyone can be part of the solution.

Our climate is facing urgent issues that need action now. Resource Central's practical approach is to make conservation easy to help people live better, more sustainable lives. Whether it's tackling that leaky toilet, reprogramming sprinkler control clocks to save water, or purchasing gently used materials rather than new ones for that next home improvement project, our "win-win" programs are designed to save families money and reduce climate impact.

Thank you for your loyal support to our organization. We hope to continue to earn your trust so we can keep putting conservation into action for years to come.

With gratitude,

Neal Lurie
President
