

Six Pack: Groundcovers

Plant as you wish! Plant-by-number design not included.

Looking to just fill a few empty spots in your low-water garden? Fill out the front of your existing garden beds, pathways, or sidewalk strips with this six pack of low-water, groundcovers. The bright fuchsia and orange blooms of the Fire Spinner® Iceplant and orange bell-shaped blooms of the Orange Carpet® Hummingbird Trumpet pair perfectly, blooming in summer. The foliage of the Plumbago remains green in summer then turns deep red in fall, peppered with blue blooms.

Full sun exposure
(requires a minimum of 6 hrs of direct sun per day)

Blooms summer to fall

Low water needs

Hardiness maximum of 7,000 ft.

Individual Plant Information

FIRE SPINNER® ICEPLANT - *Delosperma* P001S

QTY. 2

This fast spreading, low maintenance groundcover creates a thick mat of bright fuchsia and orange blooms that are long-lasting beginning in spring.

Mature height 1-2"
Mature spread 10-12"

Full sun

Low water needs

Blooms summer

Attracts bees,
hummingbirds

Resists deer

CARE: This succulent thrives in poor quality, well-drained sandy or gravel soils. Do not amend or add compost to the soil around this plant. Mulch with gravel or not at all. It is important to water consistently during the first growing season in order to establish an extensive root system.

ORANGE CARPET® HUMMINGBIRD TRUMPET - *Zauschneria garrettii* PWWG01S

QTY. 2

Slender stems with light green lance-shaped leaves grow outward to form a compact plant that cascades over rocks and walls. Tubular orange flowers open in late summer, just in time to help feed hummingbirds.

Mature height 4-6"
Mature spread 15-20"

Full sun

Low water needs

Blooms summer to
fall

Attracts
hummingbirds

Resists deer

CARE: This hardy plant thrives in poor quality, well-drained sandy or gravel soils. Avoid planting in areas that collect water. Water regularly in first few seasons to establish. Mulch with gravel. It is important to water consistently during the first growing season in order to establish an extensive root system.

PLUMBAGO - *Ceratostigma plumbaginoides*

QTY. 2

This hardy perennial's striking blue flowers intermingle with shiny, green, ovate leaves that form an attractive spreading mound. In late autumn leaves turn burgundy red.

Mature height 8-12"
Mature spread 18-24"

Adaptable

Low water needs

Blooms midsummer
to fall

Attracts butterflies

Resists deer

CARE: During the winter, it will go dormant and it is late to emerge in spring so be sure to mark its spot in the garden to avoid accidental damage to the plant. Does not tolerate poorly drained soils.

Plant Maintenance by Season

MAINTENANCE TASKS	PLANT
SPRING (AFTER FIRST GROWING SEASON)	
Cut back old growth or winter damage to 4 inches before new growth begins to show.	Orange Carpet® Hummingbird Trumpet, Plumbago
Divide mature plants in early spring every 3 years, as needed.	Plumbago
If weather in spring is rainy, place a plastic gallon milk jugs with the bottom cut out over the plant to keep the ground around these plants dry. Leave the top off the jug so the plants don't overheat in the sun.	Fire Spinner® Ice Plant
SUMMER	
Water sparingly once established.	Fire Spinner® Ice Plant, Orange Carpet® Hummingbird Trumpet
FALL	
Leave last blooms to self-seed and/or feed the birds come winter.	Plumbago
Do not prune or cut back! Plant susceptible to winter damage if pruned. It's best to wait until spring.	Orange Carpet® Hummingbird Trumpet
