Dear Supporters,

Resource Central is proud to have had another record-breaking year of conservation impact in 2023, with 133 million gallons of water saved (15% more than last year) and 4.4 million pounds of building materials reused (a 20% increase). These conservation results are a direct result of investing more dollars into conservation. Resource Central leveraged over \$4 million in public funds, donations from supporters like you, and program revenue to put conservation into action for 90,000 community members.

Our annual 990 for calendar year 2023 shows the organization's financial oversight and program investments. We are deeply committed to serving the conservation interests of communities across Colorado and beyond. We are grateful for your continued trust and loyalty. It is an honor to serve your conservation needs while we work together toward a better future for our planet.

Sincerely,

A handwritten signature in blue ink that reads "Neal".
